FRANTIC ROMANTIC!

A few weeks ago I went on a blind date with my friend Catherine's brother Ryan. Cathy had talked the two of us up to each other, so when Ryan and I met in the designated restaurant, the outlook was already positive.

Ryan was courteous and kind of rugged, the way I like them, and I pegged him for the athletic type. He'd look pretty buff naked, should it ever come to that. I certainly made sure I'd dressed to show off my own physical charms, without coming over too trappy. I think I gauged things just about right. Everything went well – we flirted a little, laughed a lot, and at the end of a lovely evening, Ryan picked up the tab. It was the perfect date, in fact. Which is why I was a little surprised when, outside the eatery, Ryan gave me a peck on the cheek, told me he'd be in touch, and hailed me a cab.

I was pretty miffed at having gotten the wrong idea about things. But by the time I'd gotten back home, I resolved to chalk it up to experience and move on. Well, I hadn't moved on but ten minutes before my doorbell buzzed.

I opened up the door and there was Ryan. "Oh, hi," I said, trying to sound nonchalant. "Bad time, I'm afraid. I was just about to go to bed."

"Then that's a good time, I'm thinking," he replied, with a wicked smile. That was my second surprise of the evening. Intrigued, I invited Ryan into my living room, whereupon he explained to me that Catherine had told him I was a "nice girl" – hardly the type to put out on the first date. That was fine with him, and he'd decided to play the evening like a true gentleman. However, having picked up an unmistakably sexy vibe from me, he'd resolved to change his plan of action before the moment passed forever.

"Tell me I did wrong, and I'll be out the door," he continued. But he couldn't get any further, because I suddenly locked my lips over his in a steamy embrace that shocked even me.

The next few moments were a blur of frenzied limbs tearing off clothing, and before I knew it I'd pushed Ryan down into a chair and was straddling his hard cock cowgirl-style. "A nice girl, huh?" I whispered in Ryan's ear. "How's this for nice – stick your finger in my ass!"

"Whatever the lady wants,"

Ryan replied, and obediently teased my bungus with an impudent finger as we fucked frenetically. He then began gasping out compliments about how tight my pussy felt around his dick, and how gorgeous my tits looked bouncing in his face. Even now he was still being the perfect gent! He took the time to assure my pleasure, sucking on each of my nipples in turn while thumbing my clit. All the while I was bouncing like a yo-yo on his wang – Jesus, he knew how to use that thing! – savoring every fabulous sensation that coursed through my body. Then suddenly I was cumming, my pussy walls constricting around the stiff shaft pumping inside it, as if to milk every last drop of the spunk that was now copiously cascading out.

That was an auspicious start to what's shaping up to be a wonderful relationship. Catherine's delighted, of course, and she thinks Ryan and I are made for each other. She doesn't know the half of it!

Nice Girl, Nebraska.

Thanks for that fabulous interview with, and those fantastic pictures of, the delightful Teagan Presley (*CI Holiday*). That chick is so damn wonderful, I can hardly find the words (*You seem to be doing okay so far* – Editor Chainsaw). I've seen quite a few of Teagan's movies, and I aim to see many, many more before my days in the sun are over. In every performance of Teagan's I've seen, she redefines the whole concept of sexiness, making it her own each time – yes, even in such otherwise humble fare as *Art of the Cum Fart*. Evidently, Teagan's presence in any scene can elevate it from the mundane to the magnificent (*Congratulations. You sho' nuff found the words* – Chainsaw). As you will have gathered, I'm utterly fascinated by the lady. I have a couple of questions about her, which I hope you can answer: How do you pronounce her name – is it Tee-gan or Tay-gan? And where does it come from?

Teaganite, Tennessee.

Apparently Teagan herself pronounces it Tay-gan, but most people say Tee-gan, and she's cool with that. The lady herself says it's an Irish Gaelic name, meaning "poet." Alternatively, it might come from the Welsh Tegan, meaning "beautiful."

You don't get this from other porn mags, do you?

We last saw porn babe Brynn Tyler in this mag in our October 2007 issue. We thought it was high time we saw her fucking again, so here she is; jumping the joint of this fortunate fellow she's picked up in a bar. A fast worker, is Bree, as you might expect from someone in her line of work. Just a couple of measures of whiskey each for herself and her new pal Aaron, and they're both good to go. And in a zillion different positions, yet. This nasty pair are bound to leave stains on the upholstery – but not from the whiskey! ♣

"DEIXE-NOS FAZER O AMOR!"*

Sex and travel are two of our favorite things. But how does one combine them, and go about scoring some tail in a foreign country? Publisher and author Wiley Cooper is here to help, with his new series of sex tourism books called *Lusty Traveler*. The first volume, on South American sex capital Rio de Janeiro, sets the tone, featuring everything from basic travel information to vocabulary words for small talk to sex talk. There are lots of tips, such as where Cooper informs us that speaking in the girl's native language is a lot like sex: "Even if you are not good at it, the girls appreciate the effort." Wise words indeed.

Lusty Traveler also features a guide to local brothels. Not only are the locations and prices covered, but so are the etiquette and rules from beginning to happy ending. Complete with all the info you need to help make your stay in Rio a rewarding one, the first *Lusty Traveler* volume is on shelves now, published by Sex Tourism Publishing.

I, SCREAM!

Sandra Scream may not have spent much time in porn movies – the D-cupped queen's heyday was in the early '90s – but a lot can happen in the adult business in a short time. And now you can read all about the star of *Twin Cheeks 2*, *Oral Majority*, *The Movie* and *Naughty Nudes* in her new book, *Love Child*. Selling for \$US 14.99, the book relates the many different eras in the story of Sandra's life, from her earliest years growing up in Malibu through her family's indoctrination into a strict religious cult to her porn years, and on through her spiritual quest in the years that followed. But are there pictures, we hear you ask? Why, of course there are – 17 pages of full-color photos, no less! For more info, visit www.sandrascream.com. ♣

Scream was a dream!

EXXXCEL-ENT!

Folks in the adult industry often get excited when the porn industry infiltrates the mainstream – and they get just as buzzed when occasionally the reverse happens, and the mainstream goes porn. That's the case with former HGTV *Design on a Dime* host Lee Snijders, who has become the first person to go from in front of the camera on TV to behind the camera in porn. Snijders and his girlfriend, photographer Jett Angel, have created Exxxcel Inc., kicking things off with their first website, at www.gothrockgirls.com.

How did this come about? According to Snijders, "I tried to continue my relationship with HGTV by pitching them show ideas, but unfortunately they weren't interested. I found myself auditioning for design shows with models and actors posing as designers while my competitors got their own shows. With the housing market crash, and being stereotyped as a budget designer, I stayed flexible and open-minded, and moved on."

Angel said the move came over breakfast. "Lee and I were discussing how frustrated he was with his situation," she said. "I said to him, you know production, I know photography, let's shoot porn!" It's nice when things work that easily, isn't it? ♣

SADIE SENSATION!

Some girls make it look easy. An agent found sultry San Diegan Sadie West's photos on the internet, and next thing you know she's in Los Angeles negotiating a contract with front-rank porn outfit New Sensations. The stunning brunette is now stablemate to blonde bombshell and *CI* fave Ashlynn Brooke.

"I was working as a stripper before entering the adult business," Sadie said. "I did my photos for the IT Models website, and I didn't really know what to expect. I guess I was getting a lot of people wanting to book me. New Sensations met with me and wanted to sign me, so [my agent] had to keep making up excuses to tell the other companies that wanted to hire me."

Having initially signed Sadie to a month-long contract, the outfit quickly felt confident enough to take her on long-term. "This is a rarity for New Sensations," company president Scott Taylor said. "We've never had two contract girls at the same time. Sadie is outstanding, and her scenes are amazing." ♣

Sexy Sadie!

BLUE MUNDAY!

"An absurdist fantasy-comedy about a young man who wakes up to discover he's missing his family jewels." That's the come-on for the new mainstream movie *Berry Munday*, featuring such big name stars as Chloë Sevigny, Cybil Shepherd and Malcolm McDowell. When the movie's producers were looking for some eye candy, they knew the right place to go: Wicked Pictures. That's how come Jessica Drake, Kaylani Lei and Mikayla Mendez got on board for a scene in which they play themselves judging an air guitar contest.

"It was a great experience," said Jessica. "The whole crew was wonderful; we even had our own trailer. We had a great time, and I'm happy that I got to add another mainstream movie to my list of accomplishments as a Wicked Girl!"

As for Kaylani, she said, "I had so much fun! I'd love to work with these people again!"

We're sure the feeling is mutual! ♣

It would be more appropriate if the air guitar judges were wearing air clothes...

FOOT FETISH!

Here's a win-win for holiday shoppers: We all know how much women love shoes. We also know how much men love Vivid Girls. Building on these basic human traits, Vivid is proud to announce their latest product: Vivid Footwear.

Designed and produced by Global Footwear Partners, the line features 18 original styles almost as sexy themselves as the Vivid Girls who wear them. So now your ladyfriend can proudly sport the four-inch mule or ankle bootie; click-clack her way through the evening in the five-inch platform mule; or step up in style in any of the six-inch platform heels. Or maybe even dare to wear the seven-inch heels!

"We thought the first collection of designs for Vivid Footwear was both sexy and provocative," said Steven Hirsch, co-chairman of Vivid Entertainment. "Vivid Girls Sunny Leone and Monique Alexander told us it was a turn-on just to model the styles, and the early reaction from women consumers is extremely enthusiastic." And when those ladies are turned on, everyone's a winner! ♣

Tera Patrick's killer heels!

A photograph of two women in bikinis at a poolside bar. One woman is seated on a wooden chair, holding a cocktail glass, while the other stands next to her, also holding a glass. They are both smiling and looking at each other. The background features a bamboo fence and lush greenery.

POOLSIDE STROKE 'N' POKE!

CATHY, ALEXA AND NICK ARE BURNING UP
IN THE SUNSHINE!

PHOTOGRAPHY: JACK HARRISON

Link go Cathy and Alexa's cocktail glasses as they seal the deal. It's settled - the setting is simply perfect. They'll never get a better chance to double-team their studly pal Nick. And so, right there by the pool, in the broiling heat of the early afternoon sun, that's how it goes. Both chicks get their respective shots at working over Nick's dick, and he in turn gets up in each luscious little poon. What with some recreational lechosity thrown in as well, there's a fire threeway in full effect before you can say pass the sunblock. Scorching! ☼

X IS FOR...

XBIZ™

Porn is an enormous, fast-moving business worth very big bucks indeed. Imagine Hollywood plus Wall Street multiplied by Las Vegas. The mind boggles (that, and many other body parts). Someone's got to make sense of the multifaceted planet of porn, which is why XBIZ exists. The XBIZ empire is a comprehensive news resource consisting of authoritative adult industry news magazines – *XBIZ World* and *XBIZ Premiere* – in print and electronic formats, the XFANZ online fan forum, and a program of business conferences headed by an annual Summer Forum held in (where else?) Las Vegas.

The outfit also hosts its own annual awards show. Among the starlets honored at XBIZ's 2008 bash were Bree Olson, Eva Angelina, Sunny Leone and Stormy Daniels. Oh, there were also tons of other prizes, such as Web Host of the Year, Billing Company of the Year and Outstanding Achievement in Business Development. But it's Bree et cetera we'd rather concentrate on here...

Y IS FOR...

YOUNG, CASSIE

Nasty blonde Cassie Young sports several discreet tattoos and a perky pair of puppies. She also possesses the perfect pussy, according to our November 2008 issue's porn star interviewee Audrey Bitoni, who describes Cassie's clam as "so small it's ridiculous. It's the perfect little package – tiny, neat, sweet." Awww!

Cassie has made around 130 sex flicks since 2002, including *So You Think You Can Squirt 1*. In that one, she doesn't just think she can squirt – she emphatically proves it, with a prodigious snatch splash over the camera lens. Yes, that's a specialty of hers, which she also demonstrates in several movies, and notably in one of *Squirt Gangbang 1*'s brace of awesome eight-girl orgies. She's nothing if not enthusiastic, our Cassie.

Z IS FOR...

ZDROK, VICTORIA

"I trained mostly in cognitive behavioral therapy, and lately I've been reading a lot of evolutionary psychology. But I'm a humanist at heart, driven by existential angst!" This is a porn star talking? Well, yes and no. It's Victoria Zdrok, who hasn't had the time to make more than just a little porn, what with being so busy campaigning for universal sexual enlightenment and all. Softcore photo model Victoria's actually only made a dozen or so porno titles, which have been high-end affairs in which she's either only masturbated or had girly sex with other similarly classy beauties. This lady is a remarkable combination of brains and beauty. A tall, gorgeous blonde with a superlative set of jugs, "Dr. Z" is also a qualified clinical psychologist and sex therapist, dispensing relationship advice throughout all forms of communications media: books, TV, radio, you name it. This is all in English, mark you, which is a foreign tongue to her native Ukrainian. In all, Victoria speaks six languages, and – yes, you're already there – she can't say no in any of them.

ZANE, MATT

Mwahahaha! Porn director/producer Matt Zane is nothing less than the dark lord of Gothic rock shock sex. His company Matt Zane Productions puts out what might be described as extreme porn – hardcore sex movies done with a heavy Metal aesthetic. MZP's *Tattooed and Tight* series, for instance, shows rock chicks being tattooed while having sex. Over the last decade we've learned to call this kind of stuff alt-porn; a field that Zane can feasibly claim to have invented. MZP's poster girl Tera Wray has the look down.

Matt Zane also sings with industrial metal band Society 1, during whose performances he has often been suspended above the stage on hooks. Different strokes, so they say. And Matt and his fans certainly stroke to a different beat.

ZERO TOLERANCE ENTERTAINMENT

Producers of uncompromising hardcore, Zero Tolerance's ethos is expressed in their motto "Zero tolerance for bad porn." An unfortunately ambiguous phrase, that, but we get what they mean. The titles of their movies alone express the pleasure ZT take in their work – *You've Got A Mother Thing Cumming*, *Face Invaders*, *Goo 4 Two*, *Apprentass*, *Cum Hungry Leave Full*, and, of course, *Grand Theft Anal...* They're only going to be good, right? Full-throttle no-frills hardcore entertainment, that's the Zero Tolerance way.

ZT's public face is that of their contract star and occasional director Courtney Cummmz, who's perfect for them. Prolific, highly attractive, and very, very nasty.

ZEN, NYOMI

Pretty, slender Malaysian cutie Nyomi Zen possesses a few small tattoos and an appetite for nasty hardcore sex. Yes, as innocent as she looks, nothing fazes this chick. She won't turn a hair on being invited to swap spunk with a fellow slut, and she'll do anal at the drop of a hat (maybe when she bends down to pick it up...). Ever eager to please, she shows she can take some rough treatment in alt-porn flick *Kill Girl Kill 3*, and she also gives her all in the fourth installments of *Oh! Me So Horny* and the delicately-titled *Appetite for Ass Destruction*. Although not quite a porno front ranker, Nyomi is a flawless fuck flick foot soldier who can be depended on to deliver the goods time after time. ♣

JANA COVA

PORNO PIXIE!

THIS SEXY SPRITE IS DYNAMITE!

Slender blonde starlet Jana Cova is blessed with many charms. She has elfin looks with bewitching green eyes, pert tits and – unusually for such a petite girl – curvy hips that swell into a luscious, rounded butt. And most importantly, she is very, very sexy.

Shuttling between Porn Valley and her native Czech Republic, Jana keeps several irons in the fire while keeping a low industry profile. She concentrates on her print modeling career, which has seen her foxy form grace many photosets in this mag, as well as three of our covers. Hence her comparatively low batting average of around 120 porn movie appearances in six and a half years. Of that film work, the finest has been for Digital Playground, the company to which she was formerly contracted. She shines in that outfit's *Jana Cova: Erotique*, *Virtual Sex with Jana Cova*, *Jana Cova: Video Nasty*, and the outstanding *Island Fever 4*. She won an AVN award for her part in that latter flick's four-girl beach orgy; 2007's Best All-Girl Sex Scene.

Off-camera she's heterosexual, of course, but on it she'll only do girls – and often that girl will be her own sweet self.

Jana speaks with a sexy Eastern European accent, which is also how her name is correctly pronounced: "Yana Izova." It, on this side of the pond, we pronounce it the way that seems natural to us, we doubt the lady would mind all that much. Just as long as we're paying her the attention she deserves. And we are. And so was our guy Bart-Jan Brouwer when he conducted the following interview with her at her Czech Republic home...

CI: Jana, how did you get into porn?

Jana: I was 19 years old when my friend introduced me to a Czech agent. I started slowly, doing nude pictorials for European magazines. When I was 21 my friend introduced me to her Los Angeles agent, and I then started working for him. At that time, I moved on to doing girl/girl videos, which I love. And in 2005 I signed an exclusive contract with Digital Playground.

What was it like, stepping onto a porn set for the first time?

I did my first scene with a girl named Natasha. I had no idea what to do because I'd never been with a girl before, even though I'd always been attracted to them. She did all the work – I was just enjoying my first experience with a woman.

What have you learned, sexually, from the industry?

I learned all kinds of naughty things! One of them is that girls lick pussy better than guys, but guys fuck harder than girls. That's why I like both. But until now, I never had the chance to have both at the same time. Maybe it's good that way – I would be worried that the other two might forget about me!

Who are your favorite co-stars?

I have so many favorite female co-stars, but the one I like most lately is Jesse Jane. We recently did a great scene together for *Hot Rod For Sinners*. We were dressed in tight jeans with little tops. Jesse grabbed me and started taking my clothes off. Then she pushed me onto the floor, spread my legs and started licking me like crazy. After she was done with that, she moved me onto my knees and started fucking me from behind with her fingers and then with a toy that looked like a gun. Then she took a lollipop and started rubbing my pussy with it and licking my juices off it. Then it was my turn, so she pushed her pussy in my face and I did her with the lollipop. After the scene was done, I was so exhausted! Jesse is great. She is full of energy and fucks like nobody else. Usually the girls I work with are acting like I am a glass doll, but I love hard fucking!

I don't know many male co-stars because I don't work with guys. But the one I always see on sets is Scott Nails. I saw him naked, and God, his dick is huge! It almost scared me! But he is nice guy. ▶

INTERVIEW

INTERVIEW

► You only work with girls, so you're bisexual, right?

Yes, I am bisexual. I always liked guys, but was curious about girls. So thank God that I'm doing what I'm doing. I can enjoy guys in my private life, and work with hot girls. Too bad it's so hard to find hot girls here in Czech. It's much easier to find this kind of girls in Los Angeles. I just can walk on Melrose Place and have girls checking me out all the time. It's fun!

What kind of guys and girls are you attracted to?

I like older guys, strong, with nice eyes and a smile. A guy who can be goofy but smart too, who can make me laugh, and who knows how to take care of me. And girls, it's simple – I like pretty, hot girls, with a nice natural body and a smooth pussy.

Do you watch porn?

Yes I do. My ex-boyfriend loved to watch porn movies. One night, when we watched a really horrible one, he started acting like a male porn star and wanted to fuck me like the guy he'd seen on the TV. He was making all those weird poses, and I ended up with a broken arm. Thank God I'm not with that guy anymore! But yes, I like watching porn movies, especially the girl/girl scenes.

If you could direct your ideal porn movie, how would it go?

The story would be easy. I would have all the best-looking girls [in porn] in the movie, and every single one would have sex with me. It would be like a contest – which one could lick and finger my pussy best. I would also have some boy/girl scenes. I wouldn't have sex with them – just watch them and masturbate in front of them while they have hard and horny sex. I would choose a nice expensive house for this movie, and every scene would take place in a different room. There doesn't need to be any dialogue, but I would want the girls and guys talking dirty to me for sure. Just thinking about this makes me horny!

Are there any limits for you in sex?

I do have limits. I don't do boy/girl, I don't do any weird shit like hard bondage or fucking a guy's ass with a strap-on. I didn't do any anal for a long time but I do it now, with a toy, exclusively for my website at www.clubjanacova.com.

Who's your favorite director to work for?

Robby D. He's funny, he makes you feel like a star, and it's super-easy to work with him. He knows how to build my sexual energy. I've known him for five years, and he's

always the same to me: friendly and caring. He is a great director, with great ideas.

What do you like most about your job?

I love working with hot girls, meeting people, and seeing beautiful places all over the world. Be able to make good money, work with the best people in the business, and be able to make my fans happy.

"I LIKE PRETTY, HOT GIRLS, WITH A NICE NATURAL BODY AND A SMOOTH PUSSY"

Which of your movies would you most like to be remembered for?

I would like to be remembered for every single movie I've made. Everyone likes different things. Some of my fans like to see me in classic sex scenes, and some of them in gonzo. I think I have something for everyone.

What are your best porn star qualities?

I am hard worker. Every time I start doing something, I put all my energy into it. I am not afraid to try new things. I have my head straight, and I am not selfish.

Do you masturbate?

I masturbate a lot. I don't need to use dildos, but I have a Pocket Rocket. I got a new, stronger one from one of my fans. ▶

INTERVIEW

► He always sends me new toys – I have a big box full of them. I tried it a few minutes ago and I love it, I can cum so many times when I am using it. I always take one with me wherever I go. When I am stuck in a traffic jam I use it; when I am bored I use it. Not long ago I was in the airport waiting for a connecting flight, and I got so horny but I didn't have my Rocket with me, so I turned on the vibration on my cell phone and I did it with that! It works, too!

What does sex mean to you?

Sex means a lot to me. Good sex keeps the relationship happy – I am happy, with a big smile on my face! And when I don't have it, then I am nervous. When I cannot have it, then I have my Pocket Rocket.

Always when I am out of town for a while and then I come back to my man, that's the best sex: oral, doggie, hard fucking, cumming in my mouth...

What's your biggest turn-on?

Oral sex. It doesn't matter if it is a guy or a girl going down on me, as long as they know what they are doing.

I love giving head! And every time I see a nice dick, I just feel like putting it in my mouth right away, play with it and suck it. I love it when a guy cums in my mouth! And size doesn't matter. Even a guy with a small penis can be great, as long as he knows how to work it.

Do you have a pet name for the penis?

In English I don't have one, but in my own language I say "curacek pero," which means something like "nice penis."

Do you have any sex fantasies you still want to live out?

Thanks to my job, all my fantasies have come true, except one: to have my own harem full of sexy girls, and every day I ►

► would choose one or two of them, and they would pleasure me all night long.

Do you actually cum when you're filming sex scenes?

Not always. It depends on if the other girl is really into it. I am always into it when I have a hot girl, and it always helps when the director lets us do our things.

What's your favorite position?

Doggie, because I can feel it really deep and I can play with my clit at the same time.

What do you think about the use of condoms in porn?

I am all for it. It's not true that if the guys use condoms then the scene is less sexy and nobody would watch it. If I ever decide to do boy/girl, it would be condom-only.

"EVERY TIME I SEE A NICE DICK, I JUST FEEL LIKE PUTTING IT IN MY MOUTH"

What were you like in high school?

I was kind of a party girl. Our class was all girls, no guys, so every weekend I went to party with my girlfriends. I was never too wild sex-wise; I never had a one-night stand. I always had long-time relationships, and only had sex with the guy after dating for a few months.

What's the weirdest place you've had sex off-camera?

In 2004, in Slovakia, I had sex in a steam room. I thought I would die in there, it was so hot! Another time, I had sex in a big swimming pool. There were no other people; we thought nobody would see us. But we didn't know they had a little camera in there, so the ladies on the front desk saw us, and they asked us not to do it again or we would have to leave the hotel!

And the most bizarre scene you've shot?

A few years ago, with a British girl. In her photos she looked great. Well, when I arrived on the set I was in shock: she was fat and had huge natural boobs – she could have killed me with them! But still I did the scene with her. While I was pretending to cum (it was too hard to really have an orgasm), I opened my mouth and she spat into it. It was disgusting! I ran into the bathroom and we didn't finish the scene. I still feel sick thinking about it.

What are your hobbies?

I love reading books, cooking, driving fast cars, watching hockey, taking care of my dog, working out, shopping and traveling.

If you had to leave the porn business tomorrow, what would you do?

I hope it won't happen, but if it would happen, then I would probably have to find a regular job as an accountant; what I have been studying for.

Is there anything else you'd like to share with our readers?

Only one thing: I am going to use my Pocket Rocket, because I am horny again!

You go, Jana! ♣

ACME ANDERSSON REPORTS FROM WHERE LESBIANISM IS THE ORDER OF THE DAY – AND WHAT A WONDERFUL DAY IT IS...

PHOTOGRAPHS COURTESY OF LETHAL HARDCORE

Le's hear it for the lesbians! Yes, lesbians – those enchanting creatures who find fulfillment face to fuzz in the female hotspot while a fellow fox returns the favor resulting in mutual miracles within each's tangy goodness.

And we love them for it.

Of course, there's a first time for every girl who follows the sexy path of the snatch-smoocher, and that's just what Lethal Hardcore's *Seduced by a Real Lesbian* series is all about. Here, girls who are well-practiced in the lady-loving lifestyle

Marlie takes Devi's

initiate inexperienced beauties into their sapphic ways. For this second volume, a quartet of gorgeous ladies make such a good job of lesbifying four other ravishing honeys, a guy might wonder if they'll ever return to cock. There'll be plenty of time to worry about that later — for now, let's just enjoy the incomprehensibly arousing sight of a girl enjoying her debut between the legs of another woman. Let's enjoy it four times over...

Lights, camera, action! Marlie Moore's new friend Devi Emerson has come around to her house for the first time. But there's something the visitor doesn't yet know: Marlie's a lesbian hoping to get a taste of Devi's pie.

From the second Devi walks in, Marlie can't stop complimenting her: "You look so nice!" "Are you wearing a G-string? Because I think tight dresses with G-strings are just the best!" But it's only when Marlie stops talking that the ice is broken. The silence reveals that Marlie has a vibrator in her purse — and yes, it's vibrating!

Innocent Devi sure is curious about the toy, and wonders why Marlie would have

such a thing in her purse. She confesses that she digs dames, and next thing we know, Marlie is showing her galpal how to use sex toys.

Soon Marlie's rubbing a vibrator over her own clit while she instructs Devi in the use of a Pocket Rocket. As the girls diddle themselves, panties are slowly pulled aside, tops are pulled down, and each girl's hands begin caressing the other's body. As Marlie moves in for some deep kissing, Devi keeps the toy vibrating on her wet snatch. My, how easily the clothes come off once the juices start flowing!

Marlie leads the way, licking and snacking, and using that Rocket on Devi's shaven snizz. Then she pulls out the vibrator, and rams it back in while continuing to tease the Emerson clit with her mouth and tongue. The brunette cums several times, then decides she'd like to take a lick at Marlie's love spot.

As soon as Marlie spreads her little love lips apart, Devi goes in for the lapping, enjoying the new sensation of a hard clit against her tongue. She sucks gently, then sends her pierced tongue into the hole for

some stimulation. Devi gets Marlie off with her mouth, then takes control of the vibrator and follows her instincts, getting the latter off again in no time.

For the finale, Devi laps masterfully at Marlie's clitoris, and the blonde belle flaps her legs as her body quakes through an almighty orgasm.

Looks like Devi and Martie are stuck together – but they don't seem to mind!

Shiven Ryan's privates!
Angelica's on tongue duty!

► Hunter has immediately made herself at home by lying out by the pool in the buff. This drives Angelica crazy – a longtime fan of the female form, she's captivated by Ryan's figure as she spies her through the window. Watching Ryan oil herself up, Angelica decides to make a play for her by offering to grease up those hard-to-hit spots. As she cils up Ryan's ass, Angelica asks if she can "give it a little kiss." When Ryan says that would be okay, that's the green light for Angie to start kissing all over Ryan's body.

"Oh my gosh, that feels good," the brunette says. "I've just never been with a

girl before." She suggests they go inside, because she doesn't want anyone to see what's about to happen...

Angie goes first, diving in to Ryan's snatch with a finger and her tongue. Ryan watches closely as she giggles and moans encouragingly. Excited by the new experience, Ryan wants a taste of pussy, too, and Angelica is quick to pull out a vibrator. The response is immediate and forceful – Angelica writhes ecstatically as Ryan moves the tool in and out, telling her how pretty her pussy is, and how she's going to make her cum. The newbie lesbo does not lie, and soon the combination of

her working the dildo and supplementing it with her fingers has the blonde squeezing the pillows and gyrating like crazy in climax.

Once Angelica has settled down, she commits to returning the favor. The brunette bends over and her new lover takes the Rabbit to her cooze, the shaft twisting while the clit section works its own magic, and Angelica loses a finger in the gal's ass. Ryan responds accordingly, whimpering joyfully while allowing her special new friend complete access to her holes. Then the strap-on comes out, and Ryan cums in no time, screaming her ►

"Thanks for letting me come over," Kelly Skyline says when Piper Austin welcomes her into her house. "I'm so excited to swim - it's so frickin' hot!"

"It's probably going to get hotter," Piper says, then mutters a mysterious "*Definitely.*"

As yet, Kelly has no idea how true those words will soon turn out to be. The first clue is when Piper confesses to being a muff-muncher. The next is when Piper insists on helping Kelly out of her clothes. The last clue is when Piper tells Kelly that she's getting so turned on she doesn't think they'll make it to the pool. Almost before Kelly can ask why she gets the answer.

Under the guise of giving Kelly tips for lovin', Piper cruises around the shy blonde's body, kissing her all over, soon winding up at her shaven girlhole, which she proceeds to lick and suck. Kelly likes Piper's style - the wetness of her snatch proves it! Piper pulls out a vibrator and sets her friend up on her hands and knees. After teasing her clit, she goes in for the thrill, giving her

deep, long thrusts with the device while twisting beneath Kelly so she can lick her clit at the same time. Magical!

Wanting to see how well she's learned her pal's tricks, Kelly moves between the busty brunette's legs to get her tongue beneath her clit hood. She uses her tongue piercing to her full advantage, lapping coolly as her hands crawl up to Piper's tits. When the latter pulls out a big dong, Kelly slides it easily into her pal's poon. "You're definitely a natural," Piper tells Kelly, then scrums her own clit while Kelly concentrates on the thrust. It's a combination that propels Piper toward a climax. The pair decide to

pleasure each other some more, going until each cums again.

"Now I have someone to play with!" Piper says excitedly.

Thinking her friend needs to cress better, Lisa Neils offers Mickey Graham a discount at her clothing emporium if she'll do something in return. Just a couple of hours here and there doing, well, you know... Lisa doesn't have a boyfriend, and it's not because she couldn't get one. It's because, well, aw shucks, she prefers girls. Mickey says she's never been with a girl before, but she's willing to give anything a try... ►

► Seems Lisa's store is also about to start stocking toys – toys of a sexual nature. She has a few samples around the house, which she guesses Mickey might like to test out. It's evident she's guessed correctly when Lisa pulls out a Rabbit-style vibrator and buzzes it on Mickey's clit. Liking that just fine, La Mick bends over the couch to give Lisa better access. After only a few minutes, Mickey's happily gnawing a pillow to stifle her pleasure screams, and once she's recovered she wants to see what she can do for Lisa.

Mickey fondles Lisa's bountiful breasts, then takes her first taste of another girl's twat. "Am I doing it okay?" Mickey asks between flicks of her tongue and sucking on Lisa's clit. It sure seems that way! Mickey chooses a small, lollipop-shaped vibrator for the blonde, working it in and around her clit while her tongue takes some serious downward strokes on Lisa's snatch.

"Just like that," Lisa moans, "I'm almost there!" At this point Lisa completely loses her ability to speak and can only scream and shake in orgasm. Mickey will be dressing better in no time, all thanks to having been seduced by a real lesbian!

Puma Swede (and yes, she is Swedish) is relatively old for a newish porn star, at 32 years, which means she keeps getting shunted into MILF movies. Well, we figure the 5' 10" blonde's far too hot for that, having done a whole load of nasty lesbian scenes, with the occasional anal pounding thrown in to spice things up. And we do mean occasional – come on, Puma, we need to see more of that. That reamable rack might be something very special, but the rest of her ain't bad either.

WHERE CAN I SEE THOSE BOOBS BOUNCING?

Puma isn't the most active of porn stars – just 70 movies or so in three years – but she does a whole lot of website work as well. Check her out in Brazzers' *Big Tits at School 2* and lickin' Lauren Vaughn in New Sensations' *MILFs Lovin' MILFs*.

HUGE HOOTERS AIN'T HER ONLY ASSET:

One of today's biggest porn stars – in all possible ways. Let's kick off with that magnificently fleshy all-natural rack, which has wrapped itself around dick after dick in over 250 movies. Then let's get to the bubble butt, which, while it hasn't been breached on film, has wobbled to entrancing effect in all those movies as well. If we could count the number of times we've jerked off to Gianna, believe us, we'd be feeling mighty guilty about just how much time we spend with cock in hand.

WHERE CAN I SEE THOSE BOOBS BOUNCING?

Where can't you? They're bouncing as we speak. However, she makes Mark Ashley one very happy chappie in Elegant Angel's *Big Wet Tits 6*, while Evil Angel's *G For Gianna* sees her soaking up loads and sucking slot in nine different scenes, with a blowbang thrown in for good measure.

We repeat: Gianna's ginormous jugs are 100 percent natural. Hallelujah!

Ah, the Stevens sisters. Hmmm... which one to jerk off to today? Will it be Britney, with her marvelous chesticles, or will it be Whitney, with her equally fine front butt? Well, we could do both, but the toss of a coin has decided us on anal-loving Whitney and her fuckable finbags. Whitney kicked off her career at the age of 18, doing everything sexually you'd want her to do, and – stop press – her tits have actually increased to a wobblicious 3600 in the time we've been writing this.

WHERE CAN I SEE THOSE BOOBS BOUNCING?

A good sign, this – we count at least 18 movies on her résumé that begin with the word "Big." Of those, we recommend Platinum X's *Big Giant Titties 3*, although even that is eclipsed by the action in Jules Jordan's *Anal Cavity Search 3*. And if you want to see just how far she goes, peep her DP in Red Light District's *100% Natural 11*. Yowzah!

20-year-old French fuckstress Natasha sure looks like she'd taste better than frogs' legs or snails in garlic. Maybe that's down to her 100 percent real 36D boobs, blue eyes, black hair and pale skin. She's that rare European porn star – the one who doesn't do twelve anal scenes a day. Instead she works those ta-tas in dozens of movies, and has made looking up to the camera while squeezing her tits together into an art form.

WHERE CAN I SEE THOSE BOOBS BOUNCING?

With those captivating eyes of hers, Natasha's a POV queen, so empty your nuts to her in Jules Jordan's *POV Pervert 8* and New Sensations' *POV Fantasy 7*. Want more? Digital Playground's *Jack's POV 8* and *10* and Lethal Hardcore's *Swallow My Sperm POV 2* should suit you just fine.

Detroit used to be known as the motor city. What's it famous for now? Well, as far as we're concerned, the answer is Velicity Von. She's moved up through the gears from so-so gonzo girl to big boob starlet, thanks to a makeover or two, and converting from being pussy-only into a born-again anal freak. With her curves, she's not your typical porn blonde, she's something much hotter.

HUGE HOOTERS AIN'T HER ONLY ASSET:

When Shyla started out in porn at the age of 19, she was a skinny, bratted Canadian hottie who did a whole heap of anal – including taking Lexington Steele's considerable cock in her keister. After a brief hiatus, she returned as a much healthier-looking, big-boobed, big-haired Canadian hottie – but kept the anal part. She's a great advertisement for cosmetic surgery, as she's never looked hotter, and even when working with the worst studs she never puts in a bad scene. Also, her tits are amazing. We had to mention that.

Head back to 2002 to see Shyla 1.0 on the end of Lexington in Evil Angel's *Lex the Impaler 2*, then set your time machine to 2008, and watch her doing pretty similar things in Sin City's *Sodora 4*. And if you're really loving Shyla, you won't want to miss Digital Sin's *My Plaything: Shyla Stylez*. We've worn our cozy out.

Oh, and she went anal in 2006, giving yet another reason to shake your stick at her.

Happily, these days Alexis seems to be working in America year-round, and working those titties too. We recommend DVSX's *Truly Nice Tits 9*, Exquisite's *Ti! Worship 2* and Jules Jordan's *POV Pervert 8*, where she gives up the tightest hole as well as shaking those moneymakers. Pip pip!

HUGE HOOTERS AIN'T HER ONLY ASSET:

As Mikayla, this sexy Mexi built a steady career in features and Hispanic-themed vignette movies, until Wicked signed her up to a contract in 2006, whereupon she renamed herself Mikayla Mendez. She's on the tame side of porn – there's a whole heap of lesbian licking in her filmography – but her buxom presence, complete with curves in all the right places, is guaranteed to make your nuts a few grams lighter by the time you've finished.

WHERE CAN I SEE THOSE BOOBS BOUNCING?

Watch her learning the ropes in 2004's *Screw My Husband Please 5* from Wildlife, and then check her out going pussy to packer with veteran vag-filler Randy Spears in Wicked's *Melt*. And let's not forget about that chest – worship it with your wang in Brazzers' *Big Tits at Work 2*.

HUGE HOOTERS AIN'T HER ONLY ASSET:

We keep hearing that nasty Nevada Carmella has retired and then, whaddyaknow, she's on the business end of a big dick again a few days later. She's the kind of star who makes the porn world go around – big-boobed, nasty-talkin', with an inviting asshole that's got an "Open All Hours" sign on it. Those studs are lining up to bang the Bing bung-hole, and great goshamighty, we can't get enough of watching it. We once saw some pictures of her with Shyla Stylez and Gianna Michaels, and it made our balls completely disappear.

WHERE CAN I SEE THOSE BOOBS BOUNCING?

She does things we can't even bring ourselves to write down in Robert Hill Releasing's *Big Tit Ass Stretches 5*. Suffice to say she won't have sat right for a week afterwards. Equally enthralling are her performances in Elegant Angel's *Big Wet Tits 6* and Pink Visual's *MILFs Gone Anal 2*. ♣

**BRITNEY
AMBER**

"Hey, fellas – get a load of these puppies!" That was newbie porn star Britney Amber shortly after disrobing for this photoshoot. Sure enough, Brit's 36D tits didn't disappoint. Unashamedly upfront, that's Britney's style. So while her surgically augmented rack may be partly artificial, it's perfectly suited to her personality. "Like these babies? Thought you would," said Britney. Then she flashed us her neat little clam, which, but for its evidently recent depilation, is entirely natural. "Don't forget the vaj, dudes!" A girl like Britney makes our job so easy. ♣

OUR OFFICE INTERN PHOEBE PHOXXX ROAD TESTS AND REVIEWS SOME SEX TOYS! AND NOW SHE THINKS SHE'S SOME KIND OF JOURNALIST!

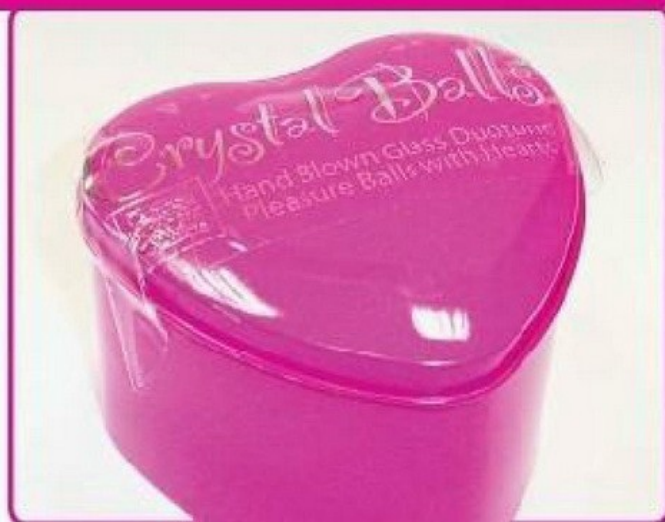

Here's one for the guys! It may look like an embryo alien monster from some weird honor SF movie, but in fact it's a clear jelly stretchy masturbator toy from Dr. Laura Berman's Intimate Basics range. It comes complete with handles and a ribbed chamber. A ribbed chamber you stick your dick in. Yes, gentlemen, you actually fuck a piece of squishy plastic. Now, that might totally freak some of you guys out, although my boyfriend Ulric wasn't fazed at all when I had him test this baby out on my behalf. Ulric's verdict? "That b'l fucker hella rocks! Humh humh humh!" Which I think amounts to a favorable review – for what it's worth. You see, I'd never endorse his opinion on other important matters like music and movies and preferred pizza toppings and what have you. I'm just mentioning it here as part of the service.

Incidentally, I'm allowing Ulric to keep his test model. I really don't want it back.

Ladies – if you don't possess a glittery purple waterproof three-speed vibrator, then I'm sorry to tell you that your sex toy collection is woefully incomplete. But fear not – yours truly is here to help, wielding my trusty Triple teaser in the constant battle for superlative solo sexual jolies. When this implement's in use, the tiny bumps on its two outer torts rub your asshole and diddle your liddle cliddle like you wouldn't believe. I got off. You'll get off. Let's all get off with the Triple Teaser from California Exotic Novelties. Truly, three is the magic number!

On the other hand – or, if you will, in another cunt – there's California Exotic Novelties' Crystal Balls. You'd think this item's heart-shaped box contained jewelry, or fancy chocolates for your lady love, rather than two glass balls to stick in her snatch or her ass. I mean, couldn't she just use a couple of large marbles? You don't have to go to sex stores for those. They're cheaper, and they do the job just as well. I know this for a fact – because that's what I've always done. So sorry, Cal Exotics, you struck out this time. Too much packaging, too little product. These babies didn't even get close to my beaver. Phoebe out! ♣

STICKY FINGERS!

THE HEALING POWER OF LOVE IS AT THIS PAIR'S FINGERTIPS!

PHOTOGRAPHY: EXPOSUREZONE

Welcome to the health resort where blonde Europorn babe Boroka is moonlighting as a masseuse. As her client Jo quickly discovers, Boroka's certainly got the healing touch. But having the blonde's skilled digits work their magic over her back isn't quite enough for Jo, and after a short while she wants them in other places as well. Plus, she's anxious to respond in kind. Consequently, soon one cunt is slowly grinding against another. Then fingers and tongues are gently probing yielding slits, becoming decidedly sticky in the process. That'll account for the squishy, squelching noises. It'll also account for the overwhelming orgasms that Boroka and Jo will shortly wind up enjoying. It's amazing how much better a body will feel for a good massage. 🍌

NICE WORK IF YOU CAN GET IT!

Working on a weekend – what a drag, right? Well, not if you're my boyfriend Ralph, and you're lucky enough to be dating an obliging sex bomb like yours truly. Right now it's a Saturday afternoon, and I'm typing this letter on Ralph's computer at his office, savoring the taste of his spoooge in my mouth.

An hour ago he called me up and asked me to come on over and help relieve his boredom. Positively begged me, in fact, even though he knows I could never turn him down. He told me he'd tell the security guard to wave me through, and that's how, just thirty minutes later, I came to be on all fours underneath his desk sucking on his stiff schlong.

I knew for sure that enveloping his tool in my warm mouth would get my man off good

As Ralph continued working as best he could on some supposedly urgent document, I slowly kissed and licked my way up his shaft, eventually arriving at the tip. Then I paused to momentarily prolong the sweet torture I knew Ralph would be undergoing, before suddenly plunging my head down on that thing, and beginning to suck as hard as I could.

Emitting a long, tremulous sigh, Ralph pushed his dick further up into my mouth until I could feel his helmet nudging the back of my throat. Now I was properly deep-throating him, with his pubic bush tickling my nose. With my jaw open as wide as it could go, I wasn't able to actually suck Ralph's rod, but he wasn't about to hold that against me. I knew for damn sure that simply enveloping his tool in my warm, moist mouth would get my loving man off good.

Now Ralph had abandoned any pretense of working, and was tightly gripping the armrests of his swivel chair to keep his balance, enabling him to move his dick around a little in my mouth. When I'm

sucking Ralph off at home, I can usually tell when he's getting close to climax, because I can feel the tell-tale twitching of his shaft in my grip. This time, however, I was propping myself up with my hands on the floor, with the whole of Ralph's cock in my mouth, and I had absolutely no idea he was going to cum until it actually happened. Pow! Ralph's jizz suddenly flash-flooded my mouth, and I gulped it down as fast as I could, savoring every hot, creamy mouthful.

How good a girlfriend am I? But I wanted to cum too, so soon I had Ralph lie naked on the floor so that I could fuck him reverse cowgirl-style. That's my favorite position. I bounced up and down on Ralph's revitalized rod while vigorously rubbing my spongy clit, and it wasn't very long before I too was convulsing in climax. And here's the kicker – so was Ralph! Again!

Ralph still had a bunch of work to get through, of course – but at least now he was feeling a whole lot better about it! He suggested I e-mail you guys this account of our little adventure while he recovered his composure before resuming his duties. So here it is – proof that sometimes, working

overtime can be fun!

How about that sexy Sunny from your Holiday issue? She's a new one on me. I love her all-natural figure and that sluttishly insouciant look she's rocking while getting fucked. She takes that cock like she was born to it, which, come to think of it, she probably was. Sunny's a treat for sure, and I for one would very much like to know more about her. Care to share?

Sunny Worshiper, South Carolina.

Sunny? Share? There's a joke there somewhere. Okay: slender blonde Sunny is a 22-year-old Hungarian honey who's still fairly new to nude modeling on this side of the pond. She's appeared in a handful of photosets for us and our sister mag Club, as well as a few more scattered about the internet. She's also made quite a few porn movies for the European market. Of these, we can recommend Anal Gate 4: Anal Addicts (reviewed in this issue's XTV Guide), in which Sunny – can you guess? – takes a cock in the ass. And apparently for the first time on film, yet. Oh, she's also in Cream Crimes 3, billed as Sun. That flick's got more cream pies than you: local bakey. Yes, it's fair to say that Sunny's a game girl. She'll be back in these pages before too long, you can bet the farm on it.

STARRING

Kirsten Price, Alektra Blue, Lexi Tyler, Stephanie Swift, Victoria Sin, Michelle Avanti, Lichelle Marie, Jennifer Dark, Michelle McLaren, Brad Armstrong, Eric Masterson, Justice Young, Tommy Gunn, Marcus London, Nick Manning, Niko

DIRECTOR

Brad Armstrong

Trust Brad Armstrong to perfectly marry music and porn, creating a love child of the two that expertly showcases Wicked contract star Kirsten Price. For an electric start, Kirsten goes wild tearing into the twats of Lexi Tyler and Alektra Blue, who bang it out with strap-on cocks and swords. Next, rock god Brad enjoys the mouths of Michelle Avanti and Stephanie Swift on his cock. Then he holds Michelle steady so Steph can get in a few licks of her slit before both pussies are doused with cream.

Kirsten's band's music video routine leads to an all-out orgy, after which we find Jennifer Dark in the sound room getting her ass splattered by Niko. Sweet music indeed, but even that can't compare to the sultry styling of Kirsten when she blows Tommy Gunn after belting out a catchy tune. Then groupies Victoria Sin and Michelle McLaren close out the show by banging the band in the back of the tour bus!

EXTRAS

Kirsten gets it on with Jessica Drake in a bonus scene that's as gorgeous as it is hot. Save time for trailers, and a hardcore image gallery capturing the best moments of the movie.

ANAL GATE: ANAL ADDICTS 4

STARRING

Donna, Black Angelika, Lucy Bell, Blue Angel, Sweet Honey, Sunny, Kyra Black, Crocky Ice, Ruka Stone, David Perry, Steve Holmes, Bruno SX

DIRECTOR

David Perry

The fourth episode of this popular series raises the bar in hot anal sex, delivering five scintillating scenes from the hands – and asses! – of Europe's finest porno babes. Donna starts things off by blowing David Perry and a few of his friends at a poker game. After the sucking we get to the fucking, and our gal takes it up the ass like a pro, with multiple DPs being given out like candy.

With in-yer-face camera shots, Black Angelika masturbates lakeside as she prepares for Steve Holmes and Bruno SX. The guys stuff her mouth, pussy and ass in order, saving some playtime for Lucy Bell, who adds her asshole to the mix.

In the middle of covergirl Blue Angel's masturbation scene, David jumps in to plug her puss in doggie. Unfazed by his informal introduction, she treats him to an ample helping of her bunghole and a finger-induced girl-gush before the sperm shower.

In the following scene, Sweet Honey – the most inexperienced of the girls on show here – gets worked over by Crocky Ice and Ruka Stone in a whole bunch of anal positions that leave her gasping and us gasping.

Finally, bleached-blond bombshell Sunny treats David to some oral and vaginal love in several positions before offering up her tushy for her first-ever aral impalement, making this an outstanding scene, and a fitting climax to a first-rate fuck flick.

EXTRAS

Although quite sparse, the extras are of high quality. There's a good photo gallery, some backstage antics, and three trailers for more fine Woodman productions to come. This stuff's definitely worth a look.

DVD TERAVISION

KINK

STARRING

Faye Reagan, Jennifer Dark, Daphne Rosen, Jayme Langford, Sunny Lane, Amber Rayne, Dane Cross, Scott Lyons, Jay Lassiter, Jack Fountain, Marco Banderas, Chris Charming

DIRECTOR

Axel Braun

Here, director Axel Braun blends kinky sex and erotica with the help of an unbeatable cast and slick editing techniques.

Fresh-faced redhead Faye Reagan gets the ball rolling by trading her cigarette for Dane Cross' cock in an ass-to-camera blowjob that paves the way for some vaginal trumping designed to showcase the appeal of her puffy nipples.

Jennifer Dark takes on three masked men in a blow-bang session that keeps her mouth and hands busy at all times. Then we see Daphne Rosen in a fishnet dress, posed face down and ass up, having her tushy tinkered with by Jay Lassiter's fingers, tongue and toy. Daphne's appetite for anal sex proves to be as large as her rack when Jay fucks her silly in a side-straddle strut.

The movie hits a high when Jayme Langford and Sunny Lane knock boots on a swinging bed, displaying enough French kissing, toe-sucking and twat-tackling to satiate the most discerning appetite. The scissor-lock finish is simply icing on the cake.

Subsequently, Amber Rayne gets manhandled by Marco Banderas and Chris Charming, who cut Amber out of her latex suit to fuck her holes at will, making for an explosive ending.

EXTRAS

The extras include entertaining interviews of the cast, including a look into the mind of Daphne Rosen, and Faye Reagan expressing her quirkiness. Also present is a great photo gallery of the hardcore action, and trailers for more Teravision titles. Hey, even this flick's make-up artist proves to be a team player when she proudly shows off her pert set of tits!

DVD VENOM HI-DEF

TITS & ASS

STARRING

Richelle Ryar, Katja Kassin, Veronica Rayne, Heidi Mayne, Britney Stevens, Derrick Pierce, Anthony Rosano, Christian, Lee Stone

DIRECTOR

Jordan R Septo

Since it's nearly impossible to discriminate between the perfect set of tits and the perfect ass, here director Jordan R Septo focuses on both, beginning with covergirl Richelle Ryan, whose body's a virtual wonderland of sultry curves and sweet spots. Those magnificent manifold charms are all enjoyed by Derrick Pierce in a banging ass-to-camera blowjob followed by some righteously raunchy vaginal play.

Curvy Katja Kassin presents an unbelievably hot butt show by jiggling her double-bubble derrière, then parking it down on Anthony Rosano in four energetic positions that remind us why her ass is a star in its own right!

Full-figured Heidi Mayne enjoys some motion in her ocean from Christian while she executes a balls-deep blowjob. The pair later cause the earth to shake in a side-saddle straddle and scissors-lock that ends in a creamy splotch to Heidi's choppers.

Lee Stone wastes no time choosing his favorite attribute of Veronica Rayne's: her rack! After in-depth examination of that estimable asset, he ties his belt around her neck like a leash as she rains kisses on his cock before Lee bends her upside down for a standing 69 session.

Britney Stevens ends the play by stroking Anthony Rosano with her feet and shoving his cock seven inches up her ass.

Well done everyone!

EXTRAS

The extras included here are fairly limited, but include a noteworthy image section, a cumshot recap feature and a behind-the-scenes look at the cast and crew having fun.

WHALE TAIL 4

STARRING

Phoenix Marie, Missy Stone, Emma Cummings, Stephanie Crane, Lexi Belle, Christian, Nick Manning, Jenner, Derrick Pierce, Van Damage

DIRECTOR

David Lord

Here's the latest episode in a niche series that showcases whale tails; the visible display of thong panties above the waistbands of girls' clothing. Flaunting her own specimen, Phoenix Marie entices Christian to jerk off on her tail. Once hard, she mouths his pole like a pro, taking charge in reverse cowgirl, and even delivering a hot titty-tuck for good measure.

Nick Manning lures Missy Stone into his house to, uh, water his plants! Soon there's lotsa liquid a-leaking all over – her saliva dripping from his cock, then his spuzz spilling from her sphincter after he's tried out her happy hole in cowgirl. The results are hot!

Jenner is so turned on by Emma Cummings that he rips off her thong during their oral foreplay binge, and has her yelping once his dick connects to her derrière. The clit buzzer she handles serves to add fuel to their obvious fire. Next we see Stephanie Crane patching up Derrick Pierce when he's fallen off his bike, by sucking on his cock and bouncing like a spring on his lap. The perfectly executed cum-blast at the end hits the mark, although I believe the actual boo-boo was on his knee!

Finally, when covergirl Lexi Belle shakes her tail feather for Van Damage, she's rewarded with a skillful fucking from a tried and true performer.

EXTRAS

You also get the welcome option of either enjoying the movie with the storyline intact or simply selecting a wall-to-wall sexual experience. Want more? You got more: a positions option for your added viewing control, a delightful photo gallery, and a good behind-the-scenes section that's worth a peek.

STALKER

STARRING

Cassidey, Jezebel Bond, Regan Reese, Kylie Ireland, Adrianna Nicole, Kayden Kross, Alex Gonz, Evan Stone, James Deen, Derrick Pierce, Eli Cross (non-sex)

DIRECTOR

Eli Cross

This straight-into-the-sex movie about obsession ignites with covergirl Cassidey (right) hanging from ceiling beams to get her beaver buffed with tongue and cock by Alex Gonz, followed by a blowjob that beautifully captures the allure of Cassidey's notoriously sexy hazel eyes.

Before the smoke clears, Cassidey is in high gear once again in a wildly entertaining lesbian lockdown with Jezebel Bond. The girls rub lips, nips and clits before Jezebel unleashes an almighty orgasm with the help of a turbocharged clit stimulator, then gives Cassidey the same treatment.

An outrageous orgy begins with Kylie Ireland treating Adrianna Nicole's holes like a bowling ball while Regan Reese watches. Evan Stone joins in, spreading Regan open for the naughty nymphs to devour before he gets a taste of Kylie and Adrianna's assholes, allowing Regan tongue-lashes throughout. Nasty!

Kayden Kross delivers a weak blowjob to James Deen then gives up her pussy, but her obvious dissatisfaction with the pop also serves as a turn-off in this skippable scene. But Cassidey and Regan make up for that substandard display when they stack their bodies to blow Derrick Pierce, culminating in a surprise ending you'll never see coming!

EXTRAS

Make way for five bonus pre-released scenes starring the lovely ladies from the featured attraction doing what they do best. If that weren't enough to perk up your pecker, the beautiful photo gallery section, a handy drop-down positions menu, a slew of hot previews, and the full line-up of Vivid's adult products are sure to do the trick! ♣

The Write STUFF!

JONESING FOR JOHNSON!

It's not fair. I'm here at home all alone, without my man's cock to fill my aching cunt. Tate's out of town on a business trip – maybe even scoring some pussy on the side – and all I've got to treat my twat are my fingers, which are glistening with my cooze juice as I write these words. Yes, I've been

frigging myself silly, aided by some of the sexiest photosets in Tate's *Club International* stash. Heck, I actually came twice! I ever considered breaking out the vibrator I keep in the nightstand for just such emergencies, but for me it's no substitute for having a real-life flesh cock to fuck, and to feed me fresh spunk. Two orgasms and I'm still horny! And they call this a democracy!

It's not like I couldn't just grab myself any man I wanted. I'm a hot, busty blonde who can pick and choose; use and abuse. But this girl has high moral standards, and I don't do the cheating thing, even if Tate possibly does. He doesn't know how lucky he is. My hot pussy craving his dick, and his dick alone, and him miles away at his super-important "conference." If he weren't such a fantastic lover, with such a lovely big cock, I swear I wouldn't stand for any more

of this cruelty. I know I'll feel differently when Tate gets back, and I've got that dick deep inside me where it properly belongs, but in the meantime I'm hurting, dammit, and I'm sharing the pain.

I need a real-life flesh cock to fuck, and to feed me fresh spunk

Okay. I'm going to bust open another issue of *CI*, and I'm going to bust a nut again, too, for what it's worth. It's lucky for me that Tate has such a massive *CI* collection. And it's lucky for him he's got such a massive cock. *Frustrated Fox, Vermont.*

Bree for me, see? I'm talking about Bree Olson – what a gal! So cute, and yet so very nasty, she's the porn star supreme. I was won over to her cause on watching her three scenes in *Ecen*. In that: one she takes on another beautiful chick (Ava Rose), then a guy, and then two guys, who do her in the ass as well as the cunt. Throughout all the action Bree's big, beautiful boobs are bouncing away, and she's making with the dirty talk like it's going out of style. And come the payoff, she cambers her pretty face with some handy high-protein ointment, fresh from the factory. Bree's full of pep, zip, fizz and jizz, and she's happy to go the extra mile. She could rustle up a spunkload from me anytime. Many's the time I've fantasized about splashing those plump jugs of hers with my love gum, which I'm pretty sure she'd enjoy just as much as I would. She could rub that stuff all over her tits, making them glisten enticingly, while doing a sexy little dance, and grinning wickedly at me... Hock, there I go again, getting carried away! I only stopped by to say thank you!

Bree Devotee, by e-mail

You're more than welcome, fellal Incidentally, we're reliably informed that Bree has a beloved cat named Dr. Sniffles. So one girl; two lovely pussies. Truly, she is severally blessed. ♣

BLOWN AWAY!

Dear *Club International*, "Suck it – suck it hard," I gasped as I watched the way her pouty lips molded to the contours of my shaft. She, the blowjob bitch in question, being Aurora, a horny blonde I'd picked up at a party the previous weekend.

This was our first proper date, and I'd spent the earlier part of the evening transfixed by the shape of her beautiful mouth. I'd barely listened to a word she'd said as I obsessed about those full lips sliding up and down my bone. I wanted to grab her and kiss her full on that luscious mouth. And later, when our tongues were eventually entwining like lusty serpents, Aurora adroitly unleashed the snake god itself. She rubbed my pole like it was some kind of magic totem.

"Know what I'd like to do right now? I'd like to suck you off good," she purred like a true ho, before sliding beneath the table and releasing my coiled viper into her hungry maw. We were in a relatively private booth of a swanky bar, but even on a quiet Wednesday night I didn't think my grunts of pleasure would go unnoticed for long, so I suggested we continue over at my apartment...

"MMM, I SO LOVE DOING DEEP-THROAT," AURORA GURGLED, BEFORE GOING BACK DOWN ON MY COCK

"Still want to blow me?" I snored.

"Who, me? I want to blow your fucking brains out," she hissed back. Sitting back on the sofa, I now fully appreciated what a nubile babe Aurora really

was as she swayed her hips in time to the background music. We both knew that we were going to fuck, a fact made all the more imminent: when Aurora reached up beneath her short denim skirt to peel off her panties. I lounged like a horny lizard as Aurora straddled my lap, her curvy ass gyrating on my crotch.

"Lick my tits," Aurora moaned, as her full melons tumbled out of her bra into my face. My hard-on was straining against my zipper, which was being dampened by her bare cooze. Then Aurora slid down onto the floor. Kneeling between my

splayed legs, she inched down my zipper with her teeth, her fingers deftly unfastening my belt, before tugging down my jeans. Looking me straight in the eye, she mouthed my stiffe through the fabric of my shorts. The anticipation was ball-busting. Then finally

the rim of my bulb. Then her lips slid over it, and I felt her tongue flicking my banjo string. "That's it, lick it, baby," I pleaded, somewhat unnecessarily.

Gripping the base of my cock, Aurora fed my meat into her nasty mouth. Her lips slid all the way down my veined shaft until my cock-head was lodged in the back of her throat. I ran my fingers through her hair and held her down for a few seconds, her face buried in my pubes. Then she bobbed her head up again.

"Mmm, I so love doing deep-throat," she gurgled, then giggled, before spitting on my dick and going back down on it.

I'd struck gold here! Clearly, this chick knew that cultivating excellent oral skills always pays dividends in the poontang

department. I was harder than I could ever have imagined, and I craved a taste of her pussy. And here it came! With me now flat on my back, Aurora lowered her ass onto my face. While I thumbed her clit, my tongue lapping her sticky scratch, Aurora gobbled my salami with gusto. As her head bobbed up and down, I could feel the suction of her crammed mouth.

"Oh shit, slower, slower..." I whimpered into her creamy clam.

Realizing I was on the brink of shooting my load, Aurora pulled her face off my pecker, and turned around to face me. "I want you inside me; I want you to fuck my pussy..." she said, then grabbed my dick, and guided it towards her swollen punani. Straddling me cowgirl-style, she

lowered herself down on my spearhead until it had sunk deep into her womanhood, like a hand in a glove.

Aurora rode me like a wild animal until her orgasm overwhelmed her. With my teeth gritted, and my balls contracted tight up my shaft, I knew what had to be done. I whipped my

prick out of Aurora's quim, backed up a little, and stuffed my tool back into her trembling mouth.

"That's it babe; suck it, take it all, swallow it down," I mumbled, as thick wads of my spunk splattered Aurora's tonsils.

Mission accomplished! *Mister Suck-sessful, Maine.*

CUNT ON CUE!

Dear Club International,
The two things I'm most obsessive about in life are pool and poor. Okay, I also enjoy the occasional brewskie. But mostly I'm for the pool and the poon. Anyway, I have this female fuck-buddy who's stacked, blonde and drop-dead gorgeous, but the thing I like most about her is the fact that she has a full-size pool table at home. We've played many games that ended in me fucking her bert forward cver the table, but what happened a few weeks ago sure beat the hell out of our past antics.

Sophia called me up at home, saying, "Vinnie, get your sweet ass over here right now. My friend here wants to shoot some pool with you."

Faster than a speeding bullet I was over and buzzing Sophia's doorbell. When the door opened I

froze in my tracks. It wasn't Sophia who answered the door, but some blonde bombshell who was easily on a par with Sophia in the looks department.

"Hi Vinnie. I'm Charlene," she said.

"Hi," I said, momentarily stuck for words.

"Please tell me that's Vinnie, sugar!" Sophia shouted from inside.

"It's me, baby," I called back. "Rack 'em up!"

When me and Charlene joined her, she'd done just that and had cracked open a brew for me.

"When you told me a friend wanted to shoot some pool, I never expected her to look like some Hollywood goddess, babe," I said as Sophia handed me my bottle.

"My surprise," she replied, with a sly chuckle. "The first of many tonight. Check out Charlene."

I turned around to see that Charlene was leaning with her ass against the pool table rubbing a cue between her legs. I found myself wishing she'd

► replace that stick with my own instant wood.

"Hmmm," she muttered. "I'll take that as a compliment, shall I?"

"A big one," I replied.

"Just what I like," she said. "A big one – cock, that is."

"Charlene!" Sophia shouted. "You go, girl!"

anything other than skewering her with my beef baton – which a split second later, I did.

Yelping as I rammed my bone home in one fell swoop, Charlene let go of her pussy lips. As they wrapped their stickiness around my thrusting cock, I reached up and pulled

dildo. "Nice – but that'll never fit," I declared.

"It sure will," Charlene said. "I bought it for Sophia, and it's already seen the inside of my snatch several times."

"Another surprise," I said.

"Oh, they'll just keep on coming," Sophia remarked, then, holding the strap-on firmly by its base, rammed it right up to its prosthetic balls inside Charlene. She screamed out loud in delight as it hit home. Then Sophia held Charlene firmly by the hips and started dildo-drilling that bitch good. She kept that up for quite a while until she suddenly stopped and said, "What're you waiting for, Vinnie? Fuck me!"

In no time flat, all three of us became a blur of hyperactive flesh. Each time Sophia spiked Charlene with her fake dick, I fucked her hard with the real thing. We rammed, slammed and banged like this until I lost all track of time. In fact, I only came out of my sex trance when Charlene started howling, "I'm cumming! I'm cumming!"

As if in echo, Sophia screamed, "I'm cumming too! Oh God, I'm cumming!"

Mere seconds later, as Charlene's cooze quivered on Sophia's strap-on and Sophia trembled on my meat, I unleashed a load of the white stuff deep inside her cunt.

Straight Shooter, New York.

"GIVE THAT BITCH WHAT FOR, BUT DON'T CUM INSIDE HER – YOUR CREAM IS MINE, BABY!"

That was my cue – pun definitely intended.

"Okay, honey – what are you in the mood for?" I asked Charlene.

"Center pocket," she answered, "and don't even think about going in off my heinie!" Then she pulled the cue from between her legs, and tossed it to me, saying, "Sniff that, stud!"

I did as requested, and boy, did it ever smell sweet. As I sniffed, Charlene yanked her skirt off and her panties down. So I followed suit with my pants and shorts. By the time I was on her, Charlene had pulled her pussy lips wide open so that there was no chance of me doing

Charlene's T-shirt off over her head, unleashing her hooters. They bounced agreeably as I banged her hole relentlessly.

"Oh yesss!" hollered Sophia. "Give that bitch what for, but don't you fucking dare cum inside her – your cream is mine, baby!"

So I gave Charlene a final almighty poke and pulled out, just as Sophia ran out of the room. When she returned, she was wearing a massive strap-on

REAR ENTRY RAUNCH!

Dear Club International, I love anal sex so much! Don't get me wrong; I love any kind of sex, any time, anywhere – period! But there's nothing in the world quite like a fat veiny cock rearing your asshole. Anal pleasure takes me to the heights of sexual pleasure. Why, I swear I've become addicted to it! Where I once used to regard it as a special treat, these days I view it as an essential condition of my human rights! My man can be mean, and often makes me beg for it. How he laughs before he drills my dirtbox!

I remember the first time Tony and I tried anal. One night we'd gotten back home from a party feeling particularly horny, and it wasn't long before we were hard at it. I've always loved how Tony finger-fucks my cornhole while slurping at my wet cunt as a prelude to the big stuff. And this time I decided it was about time I knew the feeling of his gorgeous man-meat thrust inside my cute butt.

So taking him by surprise, in the heat of the moment, I begged Tony to fuck my

sweet ass, and fill it up with cum. Believe me, he didn't need asking a second time!

I quickly got on all fours, presenting my buttocks to Tony. His tongue and hot breath felt so good on my asshole. He played tongue kung fu with my puckered sphincter, then got in position to pound away. I felt his fingers go deep into my wet lovebox, and he began pumping me, getting his fingers so creamy. Then he pulled his soaking fingers out, and started to massage my A-hole.

Moaning with pleasure, I pushed back towards Tony.

IN THE HEAT OF THE MOMENT, I BEGGED TONY TO FUCK MY SWEET ASS, AND FILL IT UP WITH CUM

Soon I could hear the squelching sound of what could only be him lubing up his cock. This was it – I was so turned on I would have let him do anything! Tony's smooth cock-head pressed against my brown eye. Now I was a little trepidatious, but at the same time crazy for him.

Tony grabbed my hips and held me steady, then plunged deep into me. Gasping, I felt his huge dick pulling slowly out after that first thrust into my tight asshole. My brown cherry was no more. At first I felt a curious mixture of pleasure, shame and doubt that I'd be able to take Tony's tool. ▶

► I needn't have worried. Uncharacteristically sensitively, Tony held his cock steady in my ass for a while as I got used to the feeling. Then, when I found myself eager for more, I eased back against him to more fully accommodate his rock-hard schlong. Spreading my buns wide with his hands, Tony expertly withdrew slightly, then slowly slid all the way into me.

"Oh my God," I breathed, pushing myself back onto him, then begging him – for the first of many times – to fuck my keister faster and harder. I already felt I could take so much more.

"Your ass is even tighter than your creamy cunt... makes me wanna shoot my wad right now!" Tony whispered in my ear as he kept up the pace, sending me into an amazing orgasm.

He pumped me hard, until I felt him start to tense. "Yeah – fill me up with your spunk," I told him, and that made him loose his load deep into my asshole. It felt like a tidal wave of jizz, and I came again, my sphincter spasming around Tony's pulsating prick. It was more intense than anything I'd

ever experienced before. And after Tony eventually pulled out his cock, I thought the spunk would never stop dribbling out of my gaping hole!

Now we're both anal addicts! The intimacy of these dirty little escapades makes us closer. Tony loves the tightness of my ass, and I love how big and hard his dick feels.

My favorite is when he's slamming my ass deep, and his balls are slapping rhythmically against my sooping snatch. I'll play with my clit, coating his balls with my juice. I always want Tony to fuck my ass all night long like that. A few times we've also used a dildo up my pussy while he's been shafting my butt, which is one hell of a full and sexy feeling!

Now it drives me crazy when my man gives my pussy a good rimming, as I know he's warming me up for a close encounter of the ass kind. So all you anal gnomes out there – don't miss out on a really intense kind of pleasure. Give your man a ticket for the A train, and neither of you will ever look back!

BIG AND BOUNCY!

Dear Club International, Boobs, hooters, mams, cans, headlights... there are countless colorful terms for my boyfriend's favorite part of a babe's body – her tits. Which I guess must be the reason why we hooked up in the first place – because mine are plenty big!

I met Chad in a beachside bar. Having just split up with my guy, I needed to both drown my sorrows and score myself a good anger fuck. I was sitting alone at the bar when this hunk of sex stepped up beside me and said to the barman, "Bourbon straight up, and make it a large one."

"That indicates you're feeling about as pissed as I

am right now," I said to the guy. Then I extended my hand in greeting. "Tiffany."

"Well hello, Tiffany," he replied with a smile. "I'm Chad, and to say that I'm pleased to meet you would be a major understatement. Oh, and yes, I am kinda pissed right now."

"Care to share?" I asked. "Share what?" Chad asked.

"Oh, a booth, our problems..." I answered.

Chad didn't say anything. He was too busy staring at my boobs. "I take it you like them?" I asked.

Chad spluttered and said, "Wha... yeah, I mean... Jeez, I'm sorry – that was really rude of me."

"Not at all," I told him. "In fact, if you play your cards right, I'll share those with you too!"

To cut this part of the story short, in less than an hour we were back at my

PHOTOGRAPHY: LAURENT

place, where I had Chad strip and let me tie a blindfold over his eyes. Then I guided him to a chair and sat him down on it. Back at the bar I'd

instructed him that if he wanted to play my game he couldn't speak a word. He complied, apart from the occasional gasp and moan. Like when, seconds after I'd

sat him blindfolded in the chair, I'd squatted down in front of him, cupped his balls in one hand, and slid his cock between my lips. Where I was blessed in the

tit department, Chad was in the cock one. His was enormous at least a fat nine inches long, and boy, did it get hard. To be honest, it was the biggest

dick I'd ever had the pleasure of, and I couldn't wait to slide it between my hooters. So, after sucking Chad's schlong for a few minutes, I did just that.

I took off my top and bra, and cupping my left can in both hands, I said, "Open your mouth."

Chad responded immediately, so I started rubbing my red, erect left nipple across his lips. He groaned. Then, to hold it steady, I grabbed Chad's head with one hand, feeding as much of my mam into his mouth as would go without choking him.

"Breathe through your nose," I said. "And suck."

My entire body went into tingle overload as Chad sucked away. I desperately wanted to finger my sodden snatch, but both my hands were occupied. It was time to take things up a notch. I pulled my tit from Chad's mouth and straddled

DIRTY WORDS

► him. I positioned myself on the head of his rock-hard rod, eased it just a little way into me – then I suddenly dropped. As soon as my cunt hit Chad's balls, he yelped. I sat there and squirmed my cunt in a circular motion on his bone.

I STARTED GASPING AS I FELT THE FIRST OF THAT NIGHT'S ORGASMS RISING IN MY COOZE

As I did so, I started slapping my tits across Chad's face. He gasped. Then I started gasping too as I felt the first of that night's orgasms rising in the depths of my cooze. Just a few seconds before it hit me, I rammed one of my hooters in Chad's mouth, saying, "Suck me! Suck me hard!" At that very instant I came, screaming.

Once I'd regained my senses, I climbed off Chad's cock, which I'm glad to say was still as stiff as a flagpole. So I took off the blindfold, then dragged him over to the bed. Lying back on it, I told Chad to straddle me. Then, pushing both my tits together, I said, "C'mon and slide that gorgeous meat-stick between these puppies."

His dick was still slick with my cunt juice, which enabled him a friction-free entry. I told him, "Now fuck my tits and squirt your custard in my mouth." After what I'd already put Chad through I knew it wouldn't take long, and in less than a minute of full-tilt titty-fucking, he'd coated the inside of my mouth with his muck. Mmmm...

SKINNY COCKACCINO!

Dear Club International,
As a successful young businesswoman, I travel a lot in the course of my work. That means I get to meet all kinds of interesting people. I don't terribly mind that it's hardly conducive to establishing steady relationships. In my private life, I'm the opposite to my work life, and frankly, I'd rather nail a different guy every night, and give free expression to my inner slut!

On a recent trip to Maine, I stayed in a nice hotel that had a coffee concession in the lobby. I got in the habit of stopping by there every day during my visit, because good coffee can be hard to find on the road. I got talking to the barista, the guy behind the counter, and we started flirting a little, then a lot, then on my last night I just slid my spare room key over the counter. When I did that I thought he was going to faint! Phil wasn't the kind of guy I'd normally go for, but he certainly knew how to make me laugh, and if you can do

that, you're already halfway into my panties. He was good-looking enough, if a little on the scrawny side. But what the hell, huh?

"Bed," I gasped. "Fuck," I moaned, "me."

Proving himself to be stronger than he looked, Phil easily carried me over

MY SNATCH WAS GUSHING WET, AND I COULD FEEL HIS HARD-ON PRESSING AGAINST MY PUSSY LIPS

"When you get off work," I whispered to Phil, "get off with me, huh?"

Then I drained my mug and hurried off back to my room to wait for him. It was 10:02 precisely when I answered the knock at my door. Well, if Phil was surprised to be greeted by me in nothing but my hotel bathrobe, his eyes nearly popped out of his head when I let the robe slide down to the ground to reveal my lovely, naked self. He pounced, covering me with kisses and pushing his tongue between my lips as he squeezed my pert titties. My snatch was already gushing wet, having had over two hours to get worked up, and I could feel his hard-on pressing against my pussy lips as we kissed.

to the bed, and stripped while ogling my bare body. I fingered my cooze as he watched, and turned over onto all fours, and finger-fucked myself that way, my ass in the air.

Once my barista pal had gotten naked, I heard what I knew had to be a condom wrapper hitting the floor. A second later, his rubbered cock nudged my engorged pussy lips, and I discovered you can't judge a man's package by his build. He may have been skinny, but his cock was full fat – easily eight thick inches. As I looked in the closet mirror's reflection, Phil caught my eye and winked at me! I knew then I was in for a good reaming, and I backed my ass up a little so he knew I wanted it bad.

PHOTOGRAPHY: VIV THOMAS www.vivthomas.com

I came and came, loving every second of being impaled on that magnificent flesh pole. Phil seemed capable of fucking all night, so I put that to the test. He wound up riding me for hours, eventually cumming three times in all. As for the number of times I climaxed, I lost count after it hit double figures. The two of us eventually collapsed, exhausted, just before sunrise, only to wake up a couple hours later for one last round before my flight. My bedsheets were covered in pussy juice and cum, so after that last rampant fuck (in which I took a fucking with my hands on the window frame, so anyone lucky enough to look up would get a great show), I wiped up as much as I could with a pair of crumpled panties, which I gave to Phil as a souvenir.

I hope he's still working in that place next time I'm in town, because I want a repeat performance!
Marathon Minx, Colorado. ♣

Taking my not-so subtle hint, Phil slid inside my snatch. Leaning over me, he kissed the back of my neck as he stroked my nipples. One hand snaked down my flatstomach to the top of my neatly-clipped bush, and then brushed ever so lightly

over my clit. As I cried out in pleasure, he used the distraction to push his whole fuckstick deep inside my gaping, hungry cunt. Phil proceeded to fuck me like an animal; hard, deep and fast, and I responded in kind, bucking backward,

inviting him to bang me more, playing with my tits while watching in the mirror. I raised a leg so he could hold it up and we could both see his cock, glistening with my cunt juice, hammering in and out of me. That was so sexy!

FRIDAY NIGHT BEGINS WITH AN F!

PHOTOGRAPHY: SCOTT WARD www.scottward.co.uk

www.clubgirlsxxx.com 137

How do most of us enjoy each Friday evening? A few beers after work in the company of friends, maybe? Or a movie and a meal with that special someone? Or possibly a rigorous workout at the gym? Some people do that, we hear. But for most of us it's option 1; the beer. For Natalie and Guy here, however, that Friday evening leisure time option's a no-brainer - back home for red-hot fucking! It's way more fun than any movie, far better exercise than you can get at the gym, you don't have to catch a bus home after you're done, and it doesn't cost a red cent. You can just fuck, fuck, fuck until you cum, cum, cum - Oh, and as for the beer afterwards... It's the best beer in the whole damn world. ♣
